Supporting
integrations

A wide array of integrations have been undertaken on the Access Portal platform, both by Impro as well as by third parties using our API (Application Programming Interface).

The **integrated** solution for your security

IMPRO INTEGRATIONS

As part of our Access Portal offering our developers undertake a deep integration with a variety of third party edge devices. Our integrations include:

- Aperio wirelss locks
- HID Fargo printers
  HID Fargo Connect
- HID Mobile Access
- HID readers (select)
- Idemia biometric readers
- Nedap readers and ANPR
- Nitgen readers (select)
- Suprema biometric readers
- HIKVISION Face Biometric readers

In addition, as third party's release new products these are integrated onto the platform, and are available on new Access Portal software releases.

CCTV and video management

- Cathexis
- Milestone

Time & attendance

- Jarrison Systems
- Synerion
- PT Atom
- X-Time
- EcoTime

Identity management

- Oracle Identity & Access Management

Visitor management

- Glovent

Other services

- X-Time breathalyser
- Equipment and personal lockers
- Kiosks
- Hotsoft dormitory management system
- Roll call (student exam attendance)
- PT Mustering

Evolving integrations

We continue to expand the integrations with Access Portal and third party products. For the latest integrations, kindly contact your local Impro representative.

Registering integrations

Third parties continue to undertake an array of integrations with Access Portal and are welcome to register their integrations with us for certification and inclusion.
