Our Ref. **BRE Test Report 238236**

Dear Mr Hewlett,

I can confirm that the Protect Smoke Cannon Model 375-XP 230VAC (serial number 302456) was found to meet all the requirements associated with Clause 6 of BS 7939:1996 when used in accordance with the manufacturer's recommendations and when fitted with the discharge nozzle finger guard.

Full details of the tests performed by BRE Testing are included in BRE test report number 238236.

Yours sincerely

Martin Staples
Security Certification Scheme Manager
