## Information on F&P-registration

Referring to your application from 28th February 2006 we can inform you that your smoke generator, model Protect 375xp, Protect 550 and Protect 1500 will be registered on the website of Forsikring & Pension (F&P) –<http://www.fpsikring.dk/Tyveri.aspx>. The registration will be in class/grade 1 according to F&P's catalogue.

The registration is done on the basis of the registration requirements of F&P, which can be found on the website of F&P – <http://www.fpsikring.dk/Tyveri.aspx> and also on the basis of documentation concerning previous tests of your smoke generator model PSP450, PSM350, PSH350 and (Protect 950), F&P journal number 10.212-00354. Cf your application, you confirm and document that it is face lifted models - and that the basic technique is the same.

F&P registration of the models PSP350, PSM350, PSH350 is hereby cancelled.

The registration is made for a five year period - up to 07.04.2011.

Yours sincerely

Knud Knudsen
